

IDESS Maritime Centre (Subic) Inc.

Travel Safely by Boat Course

Description:

This course aims to provide basic understanding and an awareness of safety and emergency response associated with travelling to an offshore installation by boat for the purpose of transfer.

Entry Standards:

This course is designed to meet the initial onshore safety and emergency response training and assessment requirements for new entrants and all personnel currently travelling and transferring by boat to an offshore oil and gas installation in a warm water tropical environment.

Accreditation:

OPITO Approved

Duration:

1 Day
